- **ACO Participation Waiver:**

The following information describes each arrangement for which our ACO seeks protection under the *ACO Participation Waiver*, including any material amendment or modification to a disclosed arrangement.

Parties to the arrangement: Mercy Health Select, LLC and The City of Willard

Date of arrangement: August 5, 2021

Items, services, goods, or facility provided: provide eligible Willard residents who suffer from certain non-emergent medical conditions (e.g., CHF, diabetes, COPD, and other chronic or problematic conditions) a limited number of scheduled home visits by a licensed WFR paramedic and a certified MHW community health worker.

Date and nature of amendments to arrangement, if applicable: N/A

Parties to the arrangement: Mercy Health Select, LLC (ACO) and Patients of ACO Providers

Date of arrangement: August 4, 2022

Items, services, good, or facility provided: The program provides transitional care management services upon hospital discharge to beneficiaries with medical and/or psychosocial problems requiring moderate or high complexity medical decision-making. Patients transitioning from the

ambulatory environment will receive comprehensive assessment with interventions and a plan of care documented.

Date and nature of any amendments to the arrangement, if applicable: N/A

Parties to the arrangement: Mercy Health Select, LLC and Ambulatory Care Management Services

Date of arrangement: August 4, 2022

Items, services, good, or facility provided: The program provides chronic care management to participating providers with high risk and rising risk patients in collaboration with a patient-centered team approach. Care managers work with patients and an interdisciplinary team to create and support implementation of an individualized care plan for patients. They engage patients to manage patient care more effectively and efficiently to reduce potentially avoidable utilization and readmissions.
