

Level Two Trauma Center

2014 REPORT

Caring together. **MERCYHEALTH**

This is what we were meant to do.

Welcome to the Trauma Center Report for 2014. This report highlights the progress of our trauma program, along with key statistics to help you understand our growth and progress.

Of course, there's more to caring than just numbers. That's because healing is more than a job. It's our Mission.

MISSION STATEMENT

St. Rita's Health Partners extends the healing ministry of Jesus by improving the health of our communities with emphasis on people who are poor and under-served.

WE ARE COMMITTED TO:

Compassion: Our commitment to serve with mercy and tenderness.

Excellence: Our commitment to be the best in the quality of our services and the stewardship of our resources.

Human Dignity: Our commitment to value the diversity of all persons and to be respectful and inclusive of everyone.

Justice: Our commitment to act with integrity, honesty and truthfulness.

Sacredness of Life: Our commitment to reverence all life and creation.

Service: Our commitment to respond to those in need.

TRAUMA SERVICES MISSION STATEMENT

To provide with caring and compassion the highest quality trauma care, rehabilitation, outreach and educational services to the residents of our community and the region.

Healthcare experts coming together for you 24/7

From the emergency room to rehab, our teams of trauma specialists offer top-quality care for our patients. Our trauma physicians also work with EMS, law enforcement and other members of the community to create a safer, healthier environment for all of us.

PROVIDERS INCLUDE:

- Trauma Surgeons
- Emergency Physicians
- Neurosurgeons
- Orthopaedic Traumatologist
- Orthopaedic Physicians
- Cardiovascular Surgery
- Intensivists
- Hospitalists
- Anesthesiologists
- Interventional Radiologists
- Psychiatrists

Read about the phases of trauma care at ncdhhs.gov/dhsr/EMS/trauma/pdf/hrsatraumamodel.pdf.

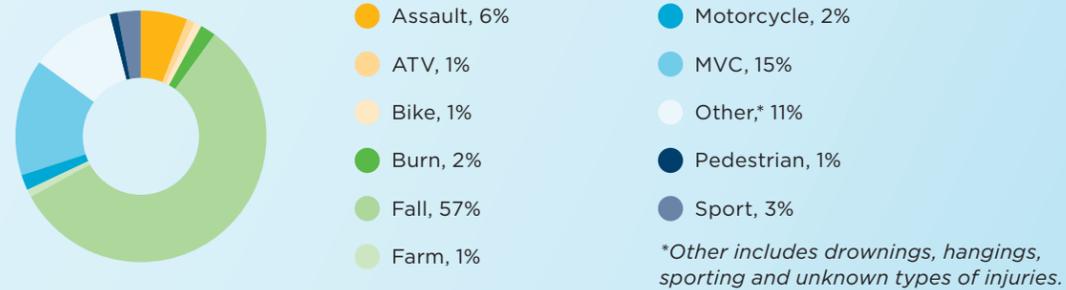

Trauma surgeons

Our trauma registry provides valuable resources for studying outcomes, improving care, redefining injury management and looking for ways to improve our trauma program. The registry also studies the cause of trauma so we can help our patients prevent injuries.

TAKING CARE OF ALL AGES:

CAUSES OF INJURY:

TOP 10 INJURIES:

Prevention is part of care

Our Injury Prevention Task Team cares deeply about the health of our neighbors, family and friends. That's why they are proud to work with members in our communities to offer educational opportunities to prevent injury.

Programs offered (but not limited to):

- Fall prevention
- Brain injury prevention
- Bicycle/pedestrian safety
- Motorcycle safety
- Seatbelt safety
- Multigenerational health fairs
- Distracted Driving prevention/Teen Impact
- SADD (Students against destructive decisions)

SAFE NEIGHBORHOODS INITIATIVE

We've been chosen by the Ohio Attorney General's Office to work with local law enforcement to start Lima's first Safe Neighborhoods Initiative to prevent violence in our communities.

Injury Prevention and Outreach Team

Taking care of our trauma team

We offer education and support programs to our local and area doctors, nurses, EMTs, paramedics and other healthcare professionals who care for trauma patients.

Some of our programs include:

- Trauma grand rounds and case reviews
- Trauma reports
- Trauma symposium
- Injury prevention conference
- Critical care and trauma nursing courses and competencies
- Trauma Nurse Curriculum Course (TNCC)
- Advanced Cardiac Life Support (ACLS)
- Pediatric Advanced Life Support (PALS)
- Basic Life Support (BLS)
- Fundamental Critical Care Support (FCCS)
- Critical Incident Stress Management (CISM)
- EMS education

WE ARE AN ACS VERIFIED LEVEL II TRAUMA CENTER

To learn more, take a look at the 6th edition of "Resources for Optimal Care of the Injured Patient" that's available as a downloadable pdf at facs.org/quality-programs/trauma/vrc/resources.

TRAUMA QUALITY IMPROVEMENT

Our goal is to provide the highest quality care for our patients. That's why we are a proud member of the ACS Trauma Quality Improvement Program (TQIP). To learn more about TQIP, visit facs.org/quality-programs/trauma/tqip.

About us

As the region's leader in medical care, we provide comprehensive healthcare services for residents in West Central Ohio. We are proud of the nearly 4,000 employees, doctors and volunteers who work to meet the healthcare needs of our community.

Our highly skilled trauma team offers treatment in a Level II Trauma Center seven days a week, 24 hours a day. This team includes doctors, nurses and technicians trained in all aspects of emergency and trauma care.
